"Capturing God's blessings in the faces of those we love"

Preschool Pictures are coming up!

Abundant Moments will be back the week of October 1st for Preschool pictures! This year, to make things easier, we will have all ordering online. To help you prepare, below are the backgrounds we will be using so you can coordinate outfits if you wish. Again we will use 2-4 different backgrounds with your precious little ones. Not great at coordination? Forgot and sent your kiddo not ready? No worries. We will pick the best background for you. Please call or email us with questions. All prints will be half off our regular prices and the Cd option will be available for \$40 with ALL the images we shot of your kiddo.
